REV. S. D. DUTCHER.

## Something About the New Pastor of the Christian Church.

Rev. S. D. Dutcher, who recently accepted a call to the Pastorate of the Christian Church in this city, is expected to arrive in Mayville this week with his wife and children.

The parsonage at the corner of Fourth and Cherry streets has been fitted up and they will at once take up their residence there.

Mr. Dutcher, served the Christian Church of Hannibal, Mo., six years, leaving there for Austin, Texas, last spring.

In his account of Mr. Dutcher's closing services at Hannibal, a daily paper of that place says:

The Christian Church was packed to the doors at both morning and evening services yesterday with people—friends of Rev. S. D. Dutcher, many of them members of other Churches—eager to hear what the Pastor would have to say on the day that would close his Pastorate of the Church that has made such rapid advancement under his charge. In the morning Rev. Dutcher preached the advent sermon of his career. His subject was: "Christ Greater Than All; Don't Forsake Him." The immense audience, which filled both the auditorium and the Sunday-school room, seemed to devour every word the speaker said, the attention was so marked. Many were moved to tears and a feeling of sadness prevailed throughout the congregation. There was one addition to the Church, and the ordination of baptism was administered at the evening service.

The following resolutions were read: "Whereas, The relation that has existed for nearly six years between Rev. S. D. Dutcher and this Church, as Pastor and people, has been severed; therefore Resolved, That we regard this separation as sufficient cause for sadness and deep regret. For, be it further Resolved, That we regard the faithful and able, earnest, faithful and faithful preacher of the Gospel of Christ, who has labored for the redemption of our souls, and the salvation of the Church, as one who has left us with a feeling of sadness and deep regret. ## MEANS DEATH

### To Me Should France Surrender Me to England,

Writes Patrick J. Tynan to the American Ambassador at Paris.

Paris, Sept. 23.—The fact that Patrick J. Tynan, the alleged dynamite conspirator, who was arrested at Boulogne-sur-mer, had appeared to Mr. Eustis, the American ambassador to France, and to President Cleveland, demanding protection as an American citizen, was announced in the dispatches of the United Associated Presses on Tuesday last, but at that time the contents of his letter were not known. It is now learned that in his letter to Mr. Eustis, Tynan informs him of the fact of his arrival in the United States in March, 1883, and his naturalization papers in 1888.

He gives his place of residence in New York, enumerates the members of his family and refers to Judge Fitzgerald, Recorder of the Court of Sessions, and to Judge Roger A. Pryor as his friends. He adds that he left New York with the object of making a European tour, but learning that he was being followed by English detectives, he traveled under an assumed name. In the course of his tour he was in Italy, Belgium and France. It was his intention to return to New York on September 23.

Tynan pledges his honor that he has not taken part in any political affair in France and that he has done nothing beyond the ordinary sightseeing of a tourist. He appeals to Mr. Eustis to use his influence to prevent his surrender to the British government, for as he has handed him over to the British government would certainly mean death for him. He recalls the help given by Irishmen to France at Fontenoy, in conclusion he states that if Mr. Eustis will graciously urge his request for release upon the French government and if France will kindly permit him to depart for his home, both will receive the thanks of millions of Irishmen throughout the globe.

The letter is dated September 15, but Mr. Eustis did not receive it until Monday. He immediately notified the French authorities of its receipt and informed them that Tynan was a citizen of the United States.

### TRIPLE TRAGEDY.

Charles Pfeiffer Kills His Wife and Daughter, and Then Himself.

INDIANAPOLIS, Sept. 23.—Tuesday morning a neighbor called at the home of Charles Pfeiffer, in Brightwood, a quiet little suburb of this city, and was horrified to find the dead body of Pfeiffer hanging from the transom leading to the dining room. Further investigation revealed the bloody corpse of Willie, the two-months old babe, and Mrs. Jennie Pfeiffer, his wife. The body of the former was lying in its carriage and one tiny hand still clasped the bottle from which it had drawn nourishment. It throat was cut from ear to ear. The body of the wife was found stretched upon a bed with the head almost severed from the body. The couple were married about a year ago, and had lived happily. They were at the home of Mrs. Pfeiffer's parents Monday night, and left there about eight o'clock going to their own home across the street. This was the last time they were seen together. The explanation point to the fact that Pfeiffer committed the crime immediately after they had retired. He took a razor and cut his throat, and then his wife and child, then drew on his trousers, went into the back yard, cut six feet of rope from a clothes line, and returned to the house, disposed of himself.

Only one motive can be assigned for the horrible deed, and that is of the belief that it is the correct explanation. He assigns it to temporary insanity, produced suddenly and in a peculiar and unusual manner, unknown, however, to medical science.
